

Dear Parent or Legal Guardian:

Thank you for your interest in boating education and safety. In Utah, personal watercraft (PWC) operators, ages 12 through 17, are required to successfully complete a boating education course before they may operate a PWC without on board, adult supervision. A registration form for Utah's PWC Education Course is on the reverse side of this letter.

- ➡ **Registration forms must be complete. This includes a Social Security Number and a \$12 registration fee for each student.** When we receive a complete registration form, we mail each student a copy of the home-study course manual.
- ➡ **Plan ahead! We must receive a complete registration form in our office before we will be able to enroll your youth in a class.** Please allow two weeks from the time we receive your registration, until participating in the classroom portion of the course. This gives us time to process your registration, mail the course manual, and enroll your youth into a requested class.
- ➡ **Each student is expected to study the course manual for a minimum of six (6) hours prior to attending a class.** This course has been developed and approved as an eight (8) hour boating safety course. There are questions on the exam that are taken solely from information presented in the course manual that will not be reviewed by the instructor during the class. Please help your youth be prepared for the class and the exam.
- ➡ **A parent or legal guardian must attend the entire class if their child is 12 through 15 years of age.** We strongly encourage the parent or legal guardian of youth, ages 16 and 17, to also attend. Most parents find the course to be educational and informative.
- ➡ **Each student has one year from their registration date to complete the course.** After that time, a student who has not completed the course must re-register for the course.

Utah's PWC Education Course is a knowledge-based course. Ultimately, it is your responsibility to determine whether or not your son or daughter retains the necessary knowledge and has the physical skills and abilities to safely and courteously operate a PWC.

Sincerely:
Richard Droesbeke
Boating Education Coordinator

UTAH'S PWC EDUCATION COURSE REGISTRATION FORM
UTAH STATE PARKS AND RECREATION
 1594 West North Temple, Suite 116
 Salt Lake City, Utah 84114-6001
 FAX (801) 538-4802
www.stateparks.utah.gov

This education and safety course is required for PWC operators 12 through 17 years of age.

This registration form may be used for up to four persons per family surname or home address. All information fields must be complete, including Social Security Number. **An incomplete form will delay registration and enrollment into a class, and will be returned or held until all information is provided. Plan ahead!** A youth must be 12 years old to register and take this course. Each student will have up to a year, from the date their registration is received at the above address, to complete the course without having to re-register for the course.

Utah's Boating Hotline: **801-538-2628** from within the Salt Lake area or, **800-743-3792** from outside the Salt Lake area.
